Limitations

Alternate Benefits: Where two or more professionally acceptable dental treatments for a dental condition exist, payment is based on the least costly treatment alternative. If you and your dentist have agreed on a treatment that is more costly than the treatment upon which the plan benefit is based, you will be responsible for any additional payment responsibility. To avoid any misunderstandings, we suggest you discuss treatment options with your dentist before services are rendered, and obtain a pre-treatment estimate of benefits prior to receiving certain high-cost services such as crowns, bridges or dentures. You and your dentist will each receive an Explanation of Benefits (EOB) outlining the services provided, your plan's payment for those services, and your out-of-pocket expense. Actual payments may vary from the pretreatment estimate depending upon annual maximums, plan frequency limits, deductibles and other limits applicable at time of payment.

Cancellation/Termination of Benefits: Coverage is provided under a group insurance policy (Policy form GPNP99) issued by Metropolitan Life Insurance Company (MetLife). Coverage terminates when your participation ceases, when your dental contributions cease or upon termination of the group policy by the Policyholder or MetLife. The group policy terminates for non-payment of premium and may terminate if participation requirements are not met or if the Policyholder fails to perform any obligations under the policy. The following services that are in progress while coverage is in effect will be paid after the coverage ends, if the applicable installment or the treatment is finished within 31 days after individual termination of coverage: Completion of a prosthetic device, crown or root canal therapy.

Group dental insurance policies featuring the Preferred Dentist Program are underwritten by Metropolitan Life Insurance Company, New York, NY 10166.

Questions & Answers

Q. Who is a participating dentist?

A. A participating dentist is a general dentist or specialist who has agreed to accept negotiated fees as payment in full for covered services provided to plan members. Negotiated fees typically range from 30% – 45% below the average fees charged in a dentist's community for the same or substantially similar services.[†]

Q. How do I find a participating dentist?

A. There are thousands of general dentists and specialists to choose from nationwide --so you are sure to find one that meets your needs. You can receive a list of these participating dentists online at www.metlife.com/dental or call 1-800-GET-MET8 (1-800-438-6388) to have a list faxed or mailed to you.

Q. What services are covered under this plan?

A. The Plan documents set forth the services covered by your plan. The List of Primary Covered Services & Limitations herein contains a summary of covered services. In the event of a conflict between the Plan documents and this summary, the terms of the Plan documents shall govern.

Q. May I choose a non-participating dentist?

A. Yes. You are always free to select the dentist of your choice. However, if you choose a non-participating dentist your out-of-pocket costs may be higher.

Q. Can my dentist apply for participation in the network?

A. Yes. If your current dentist does not participate in the network and you would like to encourage him/her to apply, ask your dentist to visit www.metdental.com, or call 1-866-PDP-NTWK for an application.^{††} The website and phone number are for use by dental professionals only.

Q. How are claims processed?

A. Dentists may submit your claims for you which means you have little or no paperwork. You can track your claims online and even receive email alerts when a claim has been processed. If you need a claim form, visit www.metlife.com/dental or request one by calling 1-800-GET-MET8 (1-800-438-6388).

Q. Can I get an estimate of what my out-of-pocket expenses will be before receiving a service?

A. Yes. You can ask for a pretreatment estimate. Your general dentist or specialist usually sends MetLife a plan for your care and requests an estimate of benefits. The estimate helps you prepare for the cost of dental services. We recommend that you request a pre-treatment estimate for services in excess of \$300. Simply have your dentist submit a request online at

www.metdental.com or call 1-877-MET-DDS9. You and your dentist will receive a benefit estimate for most procedures while you are still in the office. Actual payments may vary depending upon plan maximums, deductibles, frequency limits and other conditions at time of payment.

Q. Can MetLife help me find a dentist outside of the U.S. if I am traveling?

A. Yes. Through international dental travel assistance services* you can obtain a referral to a local dentist by calling +1-312-356-5970 (collect) when outside the U.S. to receive immediate care until you can see your dentist. Coverage will be considered under your out-of-network benefits.** Please remember to hold on to all receipts to submit a dental claim.

Q. How does MetLife coordinate benefits with other insurance plans?

A. Coordination of benefits provisions in dental benefits plans are a set of rules that are followed when a patient is covered by more than one dental benefits plan. These rules determine the order in which the plans will pay benefits. If the MetLife dental benefit plan is primary, MetLife will pay the full amount of benefits that would normally be available under the plan, subject to applicable law. If the MetLife dental benefit plan is secondary, most coordination of benefits provisions requires MetLife to determine benefits after benefits have been determined under the primary plan. The amount of benefits payable by MetLife may be reduced due to the benefits paid under the primary plan, subject to applicable law.

Q. Do I need an ID card?

A. No. You do not need to present an ID card to confirm that you are eligible. You should notify your dentist that you are enrolled in the MetLife Preferred Dentist Program. Your dentist can easily verify information about your coverage through a toll-free automated Computer Voice Response system. ** You will receive an ID card per GA state requirements.

††Due to contractual requirements, MetLife is prevented from soliciting certain providers.

*AXA Assistance USA, Inc. provides Dental referral services only. AXA Assistance is not affiliated with MetLife, and the services and benefits they provide are separate and apart from the insurance provided by MetLife. Referral services are not available in all locations. Exclusions: The AXA Travel Assistance Program is available for participants in traveling status. Whenever a trip exceeds 120 days, the participant is no longer considered to be in traveling status and is therefore no longer eligible for the services. Also, AXA Assistance USA will not evacuate or repatriate participants without medical authorization; with mild lesions, simple injuries such as sprains, simple fractures or mild sickness which can be treated by local doctors and do not prevent the member from continuing his/her trip or returning home; or with infections under treatment and not yet healed. Benefits will not be paid for any loss or injury that is caused by or is the result from: pregnancy and childbirth except for complications of pregnancy, and mental and nervous disorders unless hospitalized. Reimbursements for non-medical services such as hotel, restaurant, taxi expenses or baggage loss while traveling are not covered. The maximum benefit per person for costs associated with evacuations, repatriations or the return of mortal remains is US\$500,000. Treatment must be authorized and arranged by AXA Assistance's designated personnel to be eligible for benefits under this program. All services must be provided and arranged by AXA Assistance USA, Inc. No claims for reimbursement will be accepted.
